NOTICE OF INTENTION TO COMMENCE SMALL MINING OPERATIONS

The information requirements of this form are based on provisions of the Mined Land Reclamation Act, Title 40-8, Utah Code Annotated 1987, and the General Rules as promulgated under the Utah Minerals Regulatory Program (R647). The rules and Act are available online at <http://www.rules.utah.gov/publicat/code/r647/r647.htm> and http://le.utah.gov/~code/TITLE40/40_08.htm.

Cultural Resources Survey: To fulfill its obligations under Utah Code Annotated 9-8-404, the Division needs cultural resource (archaeology) information. The amount and type of information required will depend on the mine location, the history of previous disturbance, and other factors. Please contact the Division for further information.

A permit fee of \$150 must accompany this application (Utah Code Ann. §40-8-7(1)(i)) and is due annually.

"Small Mining Operations" are operations which have a disturbed area of ten or fewer surface acres at any time in unincorporated areas, or five acres or fewer in incorporated areas.

RE: Revisions to Small Mining Contract & NOI on Fox Canyon Mine: S-0490080

Beck & Beck Construction has previously submitted the FORM MR-RC (SMO) Small Mine Reclamation Contract dated 1/26/2016.

There was an inconsistency in the way the operator name was written. As per my conversation with Penny Berry, 3/15/16 by phone & through email, she requested Beck & Beck to submit the attached FORM MR-REV-SMO – Revise/Change Form, along with this letter explaining the need for the change.

I have attached the form and the adjusted Small Mine Contract with the names written to reflect consistency throughout & it now matches our bond issued on the same name.

Should you need further information or clarification on this matter please let me know.

Sincerely,

Maria Beck
